ESKADENIA Software Joins the Global Summit as Technology Partner

ESKADENIA Software, a leader in IT solutions, has joined the Global Summit on the Role of Women in Technology and Digital Transformation as the official Technology Partner.

Organized by Afaq Group in Amman, the summit marks a groundbreaking event in the Jordanian tech landscape, focusing on empowering women in digital fields.

ESKADENIA's participation underlines its dedication to supporting digital transformation and female inclusion in tech, reflecting the company's broader commitment to community engagement and innovation.
