ESKADENIA Software Joins Industry Experts at the 9th International Aqaba Insurance Conference

⊘ Monday, May 15, 2023

ESKADENIA Software, the leading Jordanian-based provider of software products & technologies attends the highly anticipated 9th International Aqaba Insurance Conference (Aqaba Conf 2023) as a delegate. The conference is organized in partnership between the Jordan Insurance Federation (JIF) and the General Arab Insurance Federation (GAIF). The event is scheduled to take place from the 15th to the 18th of May 2023 at the Hyatt Regency Hotel, Aqaba, Jordan.

The 9th Aqaba Conference brings together insurance experts and thought leaders from around the world to discuss the latest developments and trends in the insurance sector. With a focus on current concerns affecting global insurance markets, the conference provides a platform for attendees to exchange ideas and explore new opportunities for growth and innovation. This year, the conference will place special emphasis on the role of technology and automation in the insurance industry, Since the Insurance market sector is the key industry for ESKADENIA, and so from its belief in staying ahead of the curve, ESKADENIA attends Aqaba Conference in order to bring comprehensive software products to the Insurance industry, helping the companies to adapt to the rapidly changing insurance landscape and digital transformation

ESKADENIA Software offers all-inclusive insurance management systems designed to meet the unique requirements of businesses in the insurance industry. These systems include General, Medical, Life, Travel, Credit, Reinsurance, and Broker management. ESKA® Insures suite provides a seamless online customer experience with customizable features that offer exquisite user experience and reliable performance. Furthermore, this suite of advanced systems has multi-language, multi-company, multi-branch, and multi-currency options to help insurance companies streamline their operations and maximize profitability. ESKA Insures extends its capabilities through Takaful, Bancassurance, Notification, and Approval systems to help customers lighten and take off their workload without sacrificing control through easy-to-use automated tasks.

"ESKADENIA will be engaging with industry experts, attending events and conferences, and participating in discussions to deepen our understanding of the challenges and opportunities that exist in the sector," said Ms. Doha Abdelkhaleq, Managing Partner and Co-Founder at ESKADENIA Software.
